TO WHOM IT MAY CONCERN

I hereby certify that **Mr. Arjun Ghimire** was employed by our company during the period starting from **24 June, 2019** to **21 November, 2021**. He started in our company at the position of Trainee Software Engineer. By the time he was leaving, he was in the position of Senior Software Engineer.

During his tenure at PCS, Mr. Ghimire demonstrated himself as a diligent and truthful person. His technical skills were outstanding. His helpful and polite nature was highly praised by our staff. He is loyal, enthusiastic, a good problem solver, aesthetically creative, and sincere towards his work.

His responsibilities include:

- Software development in Microsoft .NET Framework, .NET Core, Web Forms, MVVM Pattern with Knockout JS, React JS, web services development, and database development with Oracle and PostgreSQL RDBMS.
- Software testing, implementation, and maintenance.
- Software Documentation.
- Ensure that each software solution is tested in controlled mock situations before live.
- Write and assist in preparing training and operating manuals.

During this period, Mr. Ghimire has been involved in various projects such as Deposit and Credit Guarantee Management Information System (DCGMIS) for DCGF, SOSYS for Social Security Fund, and Central Billing Monitoring System (CBMS) for Inland Revenue Department.

Considering his abilities, I highly recommend him as a promising candidate, and I wish him the best in his career path and future and would like to thank him for his excellent contribution.

Sincerely,

Md. Iltaf Hussain Ansari
Chief Executive Officer
