

Sneha Chamling Rai

QA Engineer | Manual & Automation Testing

✉ sneha.chamling13@gmail.com ☎ 9813580350 📍 Naya Thimi, Bhaktapur

👤 PROFILE

QA Engineer with 3+ years of manual testing experience and recently completed a comprehensive Master's program in Automation Testing using Selenium with Java and Python. Proficient in developing and maintaining automated test scripts, integrating tests into CI/CD pipelines using Git and Jenkins. Experienced with API, regression, load, and performance testing. Passionate about enhancing QA processes and automation frameworks to improve software quality and delivery efficiency.

🧠 SKILLS

- Manual Testing
- API Testing
- Functional Testing
- Security Testing
- Load Testing
- Automation Testing (Selenium with Java/Python)
- Regression Testing
- User Acceptance Testing
- Mobile App Testing

🧩 TOOLS

- Selenium
- HTTP Toolkit
- Jenkins
- Apache Jmeter
- Trello / Jira
- Postman
- Git
- CI/CD Pipelines (Basic familiarity)
- Playwright

✍ PROGRAMMING / SCRIPTING

- Python
- Java

👜 PROFESSIONAL EXPERIENCE

06/2024 – 06/2025

Tech Jar Pvt. Ltd

Dhobighat, Lalitpur

Quality Assurance Engineer
